The screenshot displays the IBM Cognos Analytics interface. On the left, the 'Selected sources' panel shows 'data startups.csv'. The main area is titled 'Explore data relationships' and shows a relationship diagram for 'Profit'. The diagram consists of four nodes: 'Administration', 'Profit', 'R&D Spend', and 'Marketing Spend'. 'Profit' is the central node, connected to 'Administration' and 'R&D Spend' by straight lines, and to 'Marketing Spend' by a curved line. A 'Reset to original' button is visible. Below the diagram is a 'Relationship diagram' slider set to 100%. On the right, the 'Select a visualization' panel shows a large number '12.3M' with the label 'Profit' below it, and an 'Add' button.

The screenshot displays the IBM Cognos Analytics web application. The top navigation bar includes the IBM logo and a search bar. The main content area is titled "Explore data relationships" and shows a relationship diagram with three nodes: "Administration", "State", and "Marketing Spend". A purple arc connects "Administration" and "State", and another purple arc connects "State" and "Marketing Spend". The "State" node is highlighted. To the right of the diagram is a "Select a visualization" panel with a world map and a list of states: "State", "California", and "Florida". The bottom of the interface shows a Windows taskbar with various application icons and a system clock indicating 07:33 PM on 25-09-2022.

The screenshot displays the IBM Cognos Analytics web application. The interface is divided into several sections:

- Top Navigation Bar:** Includes the IBM logo, a search bar, and a user profile icon.
- Left Sidebar:** Contains a 'Selected sources' section with 'data startups.csv' and a 'Navigation paths' section with a tree view.
- Main Content Area:**
  - Explore data relationships:** A central section showing a relationship diagram for 'Marketing Spend'. The diagram features a central node 'Marketing Spend' connected to four other nodes: 'Administration', 'Profit', 'R&D Spend', and 'State'. A 'Reset to original' button is visible.
  - Select a visualization:** A sidebar on the right showing a list of visualizations related to 'Marketing Spend'. The top visualization is a large number '23.2M' representing 'Marketing Spend'.

The relationship diagram is a network graph with 'Marketing Spend' as the central hub. The nodes are connected by curved lines, indicating relationships. The 'Relationship diagram' section at the bottom has a slider set to 100%.
